Faculty Achievement Recognition  
Inn at DePauw, May 7, 2015

The Faculty Achievement program is an annual event celebrating the year’s work and honoring colleagues who have reached important milestones. This booklet lists publications, presentations, exhibits, concerts, recordings, grants, and other ways the DePauw faculty has carried its work and accomplishment beyond the confines of campus during the past year. The afternoon’s program highlights a few meaningful accomplishments of faculty members, which also stand for the strength and the work—past, present, and future—of the faculty as a whole.
